## WINERY FEATURE

**PLANETA:** A perennial favourite of ours, Planeta make some of the most exciting and delicious wines in the whole of Italy. We have listed their wines since the day we opened and they continue to be some of our most popular wines. This year we want to celebrate one of our favourite wines - Plumbago. A red made with Sicily's most celebrated grape varieties – Nero D'Avola. Ripe, juicy and very more-ish. Still made at the original winery at Ulmo (they now have six wineries on Sicily) and still a great wine
